# YORBA LINDA CULTURAL ARTS CENTER

In preparation for the opening of the new Cultural Arts Center in late fall 2020, the City of Yorba Linda is seeking new instructors to expand the Parks and Recreation Department's art and fitness class offerings. Featuring a flexible Black Box Theater space, arts studio with adjoining arts yard, dance studio, and music room, the Arts Center is well-equipped to host a variety of specialty arts and fitness classes. Contract Instructors are independent contractors of the City of Yorba Linda who create their own class curriculum. The Parks and Recreation Department markets contract classes through its quarterly publication, The Guide, its online registration website, [YLRecOnline.com](http://YLRecOnline.com), and through its other marketing channels.
