

BOWERS MUSEUM SCHOOL PARTNERSHIP PROGRAM APPLICATION 2021-2022 (Virtual)

Tours and art classes at the Bowers Museum provide unique opportunities for students of all levels to engage with cultural arts from around the world. The Bowers Museum School Partnership Program is being offered to Title I schools as a way to encourage teachers to integrate the arts across the curriculum and as an extension of their classroom.

Scholarships are awarded on a first come, first served basis. **Submission of an application does not guarantee funding.** Applications must be received at least 4 weeks before your earliest preferred tour date. If awarded funding, you will be contacted by Bowers Museum staff to finalize your field trip.

Grant Application Guidelines & Requirements:

Criteria to receive scholarship funds for tours, art classes, and transportation will be based on:

- Qualification as a Title I school (**subject to verification**).
- Submission of completed School Partnership application.
- Submission of completed Photo Release Form per minor.
- Following your virtual visit, you are welcome to submit “thank you” letters addressed to the Bowers Museum or funding source (additional information will be provided by the Tours Office). This will help Bowers to secure future funding for school tours.
- Completion of requested surveys/evaluation forms by teachers and students on each visit. (**Due within 2 weeks**)
- Each approved school will receive grant funding to cover 100% of their tour admission and art classes for up to 70 students per visit. Approved schools will be expected to fund any remaining balance or visits not covered by grant funds and will receive an invoice prior to their visit date(s), with payment due by the day of their scheduled visit.
