Orange County Chapter

Thursday, November 10, 2022

Dear friends,

As members of the United Nations Association of Orange County, our mission is to raise public awareness of the UN and its work, and to promote the general goals of the UN locally.

We are excited to announce our upcoming event in recognition of the 74th anniversary of the signing of the Universal Declaration of Human Rights (UDHR). The UDHR is a milestone document, which proclaims the inalienable rights that everyone is entitled to as a human being - regardless of race, color, religion, sex, language, political or other opinion, national or social origin, property, birth or other status. Available in more than 500 languages, it is the most translated document in the world.

Our event will be held in early afternoon of Saturday, December 10th in Orange County, CA (venue TBC). We would love to have your participation! We are looking for:

- **Humanitarian organizations** - We invite you to have a table where you can spread awareness of your work and sign up volunteers and donors.
- **Artists**, visual and performing, who have work focused on human rights issues - We invite you to display or perform your work near an organization that does work related to your focus. Turn your art into activism, simply by proximity!
- **Sponsors** who want their brands associated with humanitarian causes - We invite you to make a tax-deductible contribution and have your logo on our marketing materials, a table for promoting your service/product, and depending on your sponsorship level, the option to speak in front of attendees and participants. We have 3 sponsorship levels:
 - \$150 Sponsor gets recognition (logo on materials or just special mention for individual donors) + 2 tickets
 - \$250 Sponsor gets recognition and an exhibitor table + 4 tickets
 - \$400 Sponsor gets both of the above (with 6 tickets) plus the opportunity to speak before the main presentation

Don't fit into any of these groups but want to participate? Attend our event or volunteer! Simply respond to this message or email: unaoevents@gmail.com. We'll find a place for you.

THANK YOU for wanting to be a part of our very special and important event. We could not do it without your help. Let's work together to make this world a better place for all.

Where, after all, do universal human rights begin? In small places, close to home -- so close and so small that they cannot be seen on any maps of the world. [...]

Unless these rights have meaning there, they have little meaning anywhere. Without concerted citizen action to uphold them close to home, we shall look in vain for progress in the larger world. - Eleanor Roosevelt
